- ✓ CE Marked
- ✓ Conforms to EN81-41
- ✓ Conforms to ASME 17.1 & 18.1

Range

Under the surface, the Wessex Liberty 3 range embodies over three decades of design innovation. A direct acting hydraulic cylinder provides a smooth quiet ride, whilst large raised and tactile buttons provide easy to use controls.

On the outside, a Pearl Grey powder coat finish covers a sturdy aluminium extrusion frame to provide an attractive lift for any environment. However, good design is not all about appearance; it is also about function, with the Wessex Liberty 3 functionality has never looked so good.

Customer Care

At Wessex Lifts, what matters is total Customer Care and attention. Wessex offers a complete service package – from project feasibility and professional advice, to home assessment, manufacture, installation and after sales service. From the time of your initial inquiry, our experienced personnel are on hand to offer the diamond class of personal service at every stage of your journey with us.
